

# Team Service Request

You don't have to wait for a rector to call you to serve on a weekend— Jesus already did! Serving on a weekend once a year is a great way to keep your spirit alive and healthy. Please take the time to pray about serving and use the form below to let the office know that you are willing to serve on an upcoming weekend. Your information will be forwarded to the team leadership. It is not a guarantee that you will be asked to serve, however team leadership is always interested in those who feel called to work on their weekend.
